New Member Bio

We'd love to have you tell us how you came to quilting. Many of our new members tell us their stories to help others get to know them. Your membership photo and address are one way to add to this joining, so don't forget to have your photo taken for the Membership Brochure. Meanwhile, please take a moment to tell us about you and quilting. We'd love to get to know you!

Thanks,

Rhona Hiney, Membership Chair
