

Hi Helen,

I just wanted to reach out to thank you again for the beautiful [quilts](#). My co-workers and I were amazed as we unpacked them yesterday!! Please thank everyone who was a part of creating the quilts for us on behalf of our department and the kiddos that will eventually receive them. I'll be sure to keep you posted as we use them. Thank you so much again for your generosity and time, and for directing your quilts to us. They will go to such great use.

All the best,

Child Life and Creative Arts Therapy Department
Maria Fareri Children's Hospital at Westchester Medical Center
