VSQ 2014 Challenge Quilts

For each quilt show we host, the VSQ gives its members a challenge. Sometimes we interpret a theme, sometimes we assign a color scheme, and sometimes, as we did in this show, we incorporate a particular fabric. Then, at our guild meeting, we vote for those quilts we feel best exemplify the challenge.

Alas, you can't vote in this category, but you can enjoy the entries! As you examine the wall hangings, you will notice that there is some of this firecracker fabric in each quilt.

Consider how you might have used the fabric. That's why it's called a challenge!
