Quilt for Ellen

From: Susan Wolman, March 2020

Dear Friends,

Sunday night we drove to Armonk to deliver Ellen's beautiful quilt. (No, we did not go inside, and spoke through the door) She was both surprised and delighted. When I said that her friends made this for her, she responded with, "My friends know my colors." I felt great that we pulled it off so successfully. It's with great gratitude that I thank all of you who participated in this loving gift. It ended up with 42 wonderful blocks. Because (almost) all blocks were 8 1/2 x 8 1/2 !!!!!!! It made it easy to put the sashing in and the quilt ended up 62"x72." Now let's talk about Janice's absolute beautiful quilting.
